A soldier returning to camp after a two day furlough received this letter from his girl. She had written him this song:

M - is for the many times you made me.
O - is for the other times you tried.
T - is for the tourist camping weekends.
H - is for the hell that's in you eyes.
E - is for the everlasting lovelight.
R - is for the wReck you made me.

Put them all together they spell MOTHER and that's what I'm about to be.

Two days later he returned the compliment by sending her this song:

F - is for your funny little letter.
A - is for my answer to your note.
T - is for your tearful accusation.
H - is for your hope that I'm a goat.
E - is for the ease with which I made you.
R - is for the rouge you thought I'd be.

Put these all together they spell FATHER but you're crazy if you thinks it's me!!
